Food is available for \$2 per serving - cash only. Check the gift shop for their feeding schedule.

DID YOU KNOW?

The NEW Zoo is entirely self-funded

Money spent here at the Zoo directly supports our facility & helps us care for the animals. We receive no tax funding.

We are the *only* AZA-accredited zoo in northeastern Wisconsin!

The NEW Zoo follows rigorous standards for animal care & wellbeing, and we are dedicated to education and supporting conservation. This includes participating in breeding programs and fundraising for endangered species worldwide.

Only about the top 10% of all zoos & aquariums in the US are AZA-accredited.
